Status Letter

Re: Solid 21, Inc. v. Richemont North America, Inc. et al., No. 1:19-cv-01262-LGS

As requested, this is to update the court on our efforts to retain new counsel as directed. We are currently in talks with two reputable trial attorney firms and aim to reach an agreement with one of them as soon as possible. It has been difficult to move things along due to the natural challenges of the holiday season. In addition, we are not currently in receipt of the pertinent files from our previous counsel who has refused to release them because of what he deems (confidential information). This has made it a little more challenging.

We hope to expedite the process as the holiday season winds down and we are able to retrieve our files from the previous counsel.

Respectfully,

**Christopher Aire**

Christopher Aire

President
